

Policy Information - Business Insurance

This Policy Information document is designed to give information on the sections of cover available under the policy and does not give the full terms and conditions of the insurance policy. These will be shown in your Terms and Conditions and Insurance Schedule/Insurance Quotation; you may request a copy of the Terms and Conditions by telephoning **Brooks Braithwaite (Sussex) Ltd on 0345 070 1064** or alternatively this can be found on our website.

Your policy can include the following sections. The sections will be shown on your Insurance Schedule/Insurance Quotation as 'Insured'.

General Exclusions that apply to all sections of the policy

- Any loss or damage as a result of; war (whether declared or not), riot, strikes, nuclear reaction, radiation or radioactive contamination or any act or terrorism.
- This insurance does not cover any loss, damage, claim, cost, expense or other sum directly or indirectly attributable to or as a consequence of fair wear and tear.

Section 1

Important - Please read this carefully

When considering which sections you would like your insurance to cover please note that claims settlements on Section 1 (Buildings and Contents) and Section 2 (Business Interruption) of the policy are subject to a **'Condition of Average'**; **Underinsurance**.

What does this mean? In simple terms, we rely upon you to tell us the true rebuilding costs of the buildings you wish to insure, or the true value of contents, stock etc (All Section 1). In the case of Section 2 (Business Interruption) the amount should be your gross annual revenue. **If these amounts are understated, then the payment of any subsequent claim will be affected.** For example, if you state that your rebuilding cost is £50,000 when in fact it should be £100,000 then in the event of any claim, the insurers would only pay 50% of your loss less the applicable excess.
