Basis of Settlement

- 1 The Insurer will pay the Insured the value of the Property Insured at the time of its Damage, or at the Insurer's option will reinstate or replace such Property or any part of such Property.
- 2 The Insurer's liability under each item is limited to the Sum Insured.

Automatic Reinstatement

In the absence of written notice by the Insured or the Insurers to the contrary, in consideration of Sums Insured or limits of liability not being reduced by the amount of any claim from the date of the Damage, the Insured will pay the appropriate additional premium due for the period from the date of Damage to expiry of the Period of Insurance, but this shall not apply in respect of theft or attempted theft.

Basis of Settlement - Adjustments

In calculating the most the Insurer will pay for any one claim, adjustments shall be made in accordance with the following clauses.

1 Reinstatement (Day One Basis)

- a) Subject to the Special Conditions set out below, the basis on which the amount payable for Buildings and Contents is to be calculated will be the reinstatement of the Property Damaged. For this purpose "reinstatement" means:
 - i) the rebuilding or replacement of Property Damaged which, provided the Insurer's liability is not increased, may be carried out:
 - 1) in any manner suitable to the requirements of the Insured
 - 2) on another site
 - ii) the repair or restoration of Property Damaged:

in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than its condition when new.
- b) The Declared Value (shown in brackets below the Sum Insured on the Insurance Schedule), having been stated in writing by the Insured, has been used to calculate the premium. "Declared Value" means the assessment by the Insured of the cost of reinstatement of Property Insured arrived at in accordance with paragraph 1ai of the Basis of Settlement Adjustments at the level of costs applying at inception of the Period of Insurance (ignoring inflationary factors which may subsequently operate), together with, to the extent that cover provides, due allowance for:
 - i) any additional cost of reinstatement to comply with Public Authorities regulations, bye-laws or stipulations
 - ii) professional fees
 - iii) removal of debris costs.

Reinstatement (Day One Basis) Special Conditions

- a) at the inception of each Period of Insurance, the Insured shall notify the Insurer of the Declared Value of Property Insured. In the absence of such declaration the last amount declared by the Insured will be taken as the Declared Value for the new Period of Insurance, appropriately adjusted for Index Linking where applicable.

For the purposes of this Condition, Index Linking shall be calculated in the following manner: Sums Insured and/or Declared Values will be adjusted to take into account movements in the appropriate index and renewal premiums will be based on the adjusted Sums Insured and/or Declared Values For Buildings, the General Building Cost Index issued by the Building Cost Information Service of the Royal Institute of Chartered Surveyors (or some other suitable index the Insurer decides upon) will be used. For Contents and other Property specifically described in the Insurance Schedule (other than Stock), the Retail Price Index

(or some other suitable index the Insurer decides upon) will be used. The above percentage changes will continue to be applied between the date of any Damage and the date when replacement or repair has been completed

- b) if at the time of Damage the Declared Value of the Property is less than the cost of reinstatement (as defined in paragraph 1ai of the Basis of Settlement Adjustments) at inception of the Period of Insurance, the amount payable by the Insurer will be proportionately reduced
- c) the Insurer's liability for the repair or restoration of Property damaged in part only, shall not exceed the amount which would have been payable if such Property had been wholly destroyed
- d) no payment beyond the amount the Insurer would have paid in the absence of this clause will be made:
 - i) unless reinstatement commences and proceeds without unreasonable delay
 - ii) until the cost of reinstatement has actually been incurred
 - iii) where Property Insured at the time of Damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement
- e) all the terms and conditions of this Section and the Policy shall apply:
 - i) to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause
 - ii) where claims are payable as if this clause had not been incorporated, except that Sums Insured will be limited to Declared Values.

2 Average (Underinsurance)

The Sums Insured by:

- a) any items for Buildings or Contents subject to the Reinstatement (Day One Basis) clause are declared to be separately subject to Average as described in Special Condition 2 of such clause
- b) any other items of Property Insured (other than any Sum Insured applying solely to rent, fees, removal of debris or private dwellings) are declared to be separately subject to Average. This means if at the time of Damage the Sum Insured for any item is less than the value of the item covered by such Sum Insured, the amount payable by the Insurer will be proportionately reduced.

3 Contribution and Average

If at the time of Damage any other insurance has been effected by or on behalf of the Insured covering any of the Property Damaged, the Insurer's liability under this Section shall be limited to the Insurer's rateable proportion of such Damage.

If such other insurance is subject to Average (Underinsurance), this Section if not already subject to Average shall be subject to Average in like manner.

If such other insurance is subject to any provision which excludes it from ranking concurrently with this Section, either in whole or in part, or from contributing rateably, the liability of the Insurer under this Section shall be limited to that proportion of the Damage which the Sum Insured for this Section bears to the value of the Property.

4 Public Authorities

Subject to the Public Authorities Special Conditions set out below, cover for Buildings and Contents includes an amount in respect of any additional cost of reinstatement which is incurred solely by reason of the necessity to comply with building or other regulations under or framed in pursuance of any Act of Parliament, with bye-laws of any public authority or to comply with the stipulations of European Union legislation, in consequence of Damage, excluding:

- a) the cost incurred in complying with such regulations, bye-laws or stipulations:
 - i) in respect of Damage occurring prior to the granting of this cover

- a) the work of reinstatement must be commenced and carried out without unreasonable delay and in any case must be completed within 12 months after the Damage, or within such further time as the Insurer may allow, and may be carried out upon another site (if such regulations, bye-laws or stipulations so necessitate), subject to there being no resulting increase in the liability of the Insurer
- b) if the liability of the Insurer is reduced by the application of any of the terms and conditions of this Section or the Policy (other than as a result of this clause), the liability of the Insurer under this clause will be reduced in proportion
- c) all the terms and conditions of this Section and the Policy shall apply to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause.
